

Dear Families,

School portrait time is near! We provide high quality digital and print photos for you that are easy to order and offered in a variety of price points. We will take photos of individuals and siblings, as well as the whole school. Any proceeds will be donated to the PTO.

Picture day is on Thursday September 26th . If there is rain that day, we will reschedule.

A printed sample of individual and group images with order form will be sent home with students in early October. The prints will be mailed to school and distributed to students (unless you'd like to pay for direct shipping) in early November. Digital images will be shared directly to families.

Here is what you can order:
