

# VOLUNTEER SIGN UP

## FALL/WINTER 2024

In our **small** school in this **small** community there is only a **small** amount of people to do ALL the tasks. We have many fun events and programs to enrich our student's experience and the only way to pull it off is when **everyone** lends a helping hand.

*"Many hands make light work"*

*We ask every family to volunteer their time and we will work hard to find tasks that match your schedule and interest!*

Three large events coincide at a very busy time of year, with overlapping tasks October - December: Wreath Sale (annual fundraiser), Holiday Bazaar, and Winter Performance. We especially need help with these events as well as the others listed below.
